radio DADAA

LISTEN DIFFERENTLY

STYLE GUIDE 2025

1. LOGO + TAGLINE

1.1 LOGO

PRIMARY LOGO (CONTAINED)

This logo is the main representation of Radio DADAA and is to be used in most applications.

SECONDARY LOGO (SINGLE-LINE)

This logo is to be used when it isn't appropriate to used the primary logo, for example in layouts where the stack logo version can not be scaled large enough to be legible.

1.2 TAGLINE

STAND-ALONE

The stand-alone tagline can be used as a sign-off on applications.
Be wary to not use it near a logo/tagline lock-up.

LOGO/TAGLINE LOCK-UP

This lock-up is to be used in most applications as an opening graphic / header device to introduce the Radio DADAA brand. Do no use in alternate colourways.

2. TYPOGRAPHY

2.1 BRAND FONTS

Two typefaces are used for this brand; *Youth Bold* is used for headlines and *Neue Haas Grotesk Text* for body copy and captions.

See section *4. Applications* for examples of how to use the correct hierarchy for these fonts.

YOUTH BOLD
(Headings / Subheadings)

AaBbCc123!$*

NEUE HAAS GROTESK TEXT
(Body copy / Captions)

AaBbCc123!$*

3. COLOUR

3.1 BRAND COLOURS

There are 4 brand colours.

- 2 x primary colours
- 2 x supporting secondary colours

PRIMARY

The Hot Pink and White are to be used as the main colours for Radio DADAA.

Hot Pink

CMYK	13 / 85 / 0 / 0
RGB	232 / 59 / 178
HEX	#e83bb2

White

CMYK	0 / 0 / 0 / 0
RGB	255 / 255 / 255
HEX	#ffffff

SECONDARY

The Soft Pink is to be used as an alternate background to white when layouts need to be sectioned. The black is to be used primarily as the container colour for the tagline or to 'highlight' headlines. Outside of this it is to be used very sparingly.

Soft Pink

CMYK	0 / 9 / 0 / 0
RGB	252 / 235 / 247
HEX	#fcebf7

Black

CMYK	0 / 20 / 0 / 100
RGB	35 / 18 / 24
HEX	#231218

4. APPLICATIONS

4.1 SOCIAL MEDIA POSTS

These are some examples of how typography, logo, colour and image elements can be utilised.

The post sizes are 1350px x 1080px – this is the standard specs for an Instagram feed post as of the making of this document, July 2025.
